

Attention Owners!

You are receiving this notification of a policy change that will go into effect for all owners on the Gold or Platinum property management plans 60 days from today.

CHANGE: Effective 1 May 2018, all Gold and Platinum Plan property management plan owners will be charged a **Tenant Realtor Commission of \$300** during the process of leasing your home to a new tenant.

This is a pass through commission being advertised on the Multiple Listing Service to allow other Brokers to bring us their qualified applicants. We will advertise a \$300 Commission on the San Antonio Board of Realtors Multiple Listing Service, and Pay Out a one time \$300 Commission once a tenant is placed in your home to the referring Realtor.

Should you have any questions regarding these policy changes – feel free to email us at Web@RentWerx.com, or call us at 210.497.8686.
